Martins Run Senior Living Community recently recognized long-time volunteers

Faye and Larry Rothstein, of Newtown Square, and past president of the Martins Run Board of Trustees, Owen A. Knopping, Esq., at the community's eighth annual Leadership Award Celebration.

The annual award honors those individuals who have contributed time and money

supporting Martins Run, its activities and the local community, through strong leadership in a variety of causes.

This year's celebrity auctioneer was Merrill Reese, the Voice of the Philadelphia Eagles.

The event raised more money than in any years past, and proceeds will benefit the Martins Run Residents Assistance Fund.
