The annual Martins Run Leadership Award Celebration, this year “The Magic of Martins Run,” will be Wednesday, May 11. This year’s celebration will honor recipients Julie and Alan Gubernick. The annual leadership award was created in 2003 to honor individuals who have demonstrated devotion to Martins Run and its activities and to the local community through strong leadership in a variety of causes.

Julie is a board certified radiologist at Lehigh Valley Hospital and Health Network where she is the section chief of chest radiology and medical director of Lehigh Valley Diagnostic Imaging. She is active in many local, state and national radiology organizations and has received honors for her research and clinical work.

As a shareholder and founding member of St. Clair CPA Solutions, Alan has served the greater Philadelphia small business community for over 26 years. He earned a master’s degree in taxation from Widener University and an A.B. in accounting and psychology at Muhlenberg College, and is a past chair of the Martins Run Board of Trustees.
