## Olympic Games, senior-style

**The Vancouver Games** may be over, but the Martins Run Olympic Odyssey was yesterday at the senior living community in Marple Township. Lillian Friedenreich, 86, above, competes in the Bottle Barrage event, where rings were tossed onto bowling pins. Left, Ethel Hamburger, 81, accepts her trophy at the end of the competition. The games were a mix of individual events, such as the Senior Scoot wheelchair race, and team events, such as the Ping Pong Pass. Prizes, including trophies, medals and gift cards, were awarded to first, second and third places in each event.
